Cenerentola

- Miniature Fairy Tales -

by and with Stefano Locati
Voices Monica Zippari, Alessandra Pasi, Milvys Lopez Homen and Federico Faggioni
original drawings Crilla Bix

Cenerentola, miniature fairy tales transports the audience into an enchanted world through a blend of paper theatre, magic, and miniatures. In just 10 minutes, this unique interpretation of the classic Cinderella tale captivates viewers with its delicacy and timeless charm. In the intimate setting of a tiny theatre just a few inches wide, the audience is invited to immerse themselves in the magic of kamishibai, the ancient Japanese art of illustrated storytelling. With skill and grace, the manipulation of miniatures and paper figures brings Cinderella's story to life. Through a series of unique and original illustrated panels, the narrative unfolds. The paper theatre comes alive with the magic of miniatures, while the audience is transported into a world of humor and music
